Why Penn?

Dear Dean Furda,

My name is _____Name_____ and ever since I can remember, my dream has been to _____Verb_____ at the University of Pennsylvania. Why, you might ask? Well, the answer is _____Adjective_____. Penn is the _____Superlative_____ school in all the land. It's unbeatable at _____Activity_____, it's _____Deparment_____ is the best at what it does, and, obviously, the opportunity to study _____Noun_____ is, in short, world-class.

In my high school in _____Place_____, I was always _____Adjective_____. I played _____Sport_____, was president of my _____Club_____, and held the world record for _____Activity_____. I am as qualified as they come, so you can just skip over my resume, I assure you it's _____Adjective_____.

When I get to Penn, I can't wait to make so many new friends who share my common interest in _____Noun_____, and go out to eat, study, and _____Verb_____ with them. I can already picture myself walking down Locust and hearing the _____Adjective_____ shouts from students saying "_____Phrase_____!"

Penn also has the best social life around! I once heard a story from a _____Family Member_____ about how once at a party, he/she saw two students steal an _____Animal_____ and feed it _____Noun_____! Tell me that's not _____Adjective_____! I can't wait to be a part of _____Adjective_____ hi-jinks like that.

See you soon,

A soon-to-be _____Adjective_____ Quaker.
