The Revenginator

One day, at the science fair, Jimmy thought his baking soda was going to win. But Oscar's
x-ray project really took the heat. Jimmy didn't verb Base Form it one bit! He didn't want
to until the next science fair to get back at Oscar so he started working on his new
invention: the Revenginator. For an year old this plan seemed a bit out of reach, but if Oscar can
Verb Base Form an x-ray at just years old, Jimmy's so close to victory. He started the
blueprints after school that Monday after headache, and test after test he came
up with the perfect invention: The Ray-X! Whoever gets hit by the ray can now only
everything in x-ray vision. Jimmy went to school by Friday and was ready to get the sweet
taste of revenge. He shot the ray right at Oscar in the at the school.
