## **HUD CoC Quarterly Meeting**

Today is our quarterly CoC meeting, and there is going to so many with, breakout sessions
, and I do not know what to expect, and I must be open to all of the possible items to
cover in less than 4 hours. What are my?, How can I stay engaged?, How can I get here
on time? How many questions will I have about my agency's performance? What will I learn? How can I get
more involved? How can I treat this experience as a way to build and not see it like any other meeting? It all
begins with today's agenda, and we have taken all of these verb Present ends in S into consideration.
Welcome and let's start!
