The Hero we Need

| I am a serial sprainer, in the years my boyfriend has lived with me, I have sprained my ankle |
|---|
| times. I have tripped random stupid crap, dog toys, a in the grass, stairs, |
| anything my ankles can find they will try to kill me on. |
| Michael is always there, |
| thought one day I will be there to his aches when he would fall but he never fell. In the |
| Number years we have lived together he has never once slipped on Noun , tripped on a |
| Noun, tumbled over an Noun, or even dragged his Part of Body across some slippery |
| Noun . That was until yesterday. We were Uber Eats delivering in the Adjective snowfall we had |
| in Kansas, thinking we might get some decent tips. We delivered to this townhome complex, he got out to |
| deliver while I stayed in. On his way back to the car his phone for another delivery. He |
| pulled out his phone, and instead of paying attention down he went on a patch of ice. |
| He didn't fall and crack, he fell down with enough grace to land on his and his |
| of Body Still, beggars can't be choosers. It was my turn. I was going to him now. I was |
| going to nurture his softball bumps. I was going to pick him up and help him to the car and |
| baby him while he sniffled and I was going to be the hero for once keyword being "was |
| ." I lept out of the car. "I can be your hero baby" played in my head like elevator music. I felt my cape flowing |
| figuratively behind my back. Suddenly I was on the ground, my knee twisted at an degree angle |
| . My Part of Body hurt so bad, I thought I broke it. Unlike him, I did not fall gracefully. I hit the ground |
| with |

| such a | Sound | _ that the lady | in the car ne | xt to us got o | out ready to _ | Verb Base For | me. | I laid there on |
|------------|---------------------|------------------|----------------|------------------|--------------------|------------------|---------------|------------------|
| the groun | nd, air knock | ted out of me. | Enrique Igles | sias' "Hero" : | stopped abrup | otly and instea | ad sirens we | re blaring in |
| my head | . I instinctive | ely wriggled m | y feet to see | which one w | as going to g | get too thicc fo | or socks. Ev | erything |
