# Cinderella Effect - Black No. 1

She's in           Noun Plural           with herself

She likes the           Noun Plural          

And on her           Drink                     Color                     Part of Body          

The           Proper Noun Possessive                     Noun          

Now it's all           Holiday          

The           Noun           is           Adjective          

Will she           Verb Base Form           or           Verb Base Form          ?

I bet she will

She's got a date at           Time of day          

With           First Name of a Person          

Oh baby,           Full Name of a Person          

Ain't got nothing on you

Now when I called her           Adjective          

She

just Verb Past Tense

and cast that spell on me

Exclamation Noun Plural !

You wanna go out 'cause it's Verb Present ends in ING and Verb Present ends in ING

You can't go out 'cause your Noun Plural are Verb Present ends in ING
