# Long Lost Alien

Once upon a time on a planet far, far away, which is exactly 33.9 million miles away, there was a

\_\_\_\_\_ Adjective lost alien. His name was Flash Flash Hundred Yard Dash. They called him \_\_\_\_\_ First Name

\_\_\_\_\_ of a Person for short. He was abandoned there years ago when the \_\_\_\_\_ Adjective apocalypse took place and

his family scurried away. He loved his family and he misses them dearly. Since then, wherever he goes he

proceeds more cautiously. It was almost like he had eyes in the back of his head. Flash was now living on the

planet of Mars all by himself. He was convinced that he was the loneliest alien alive. The zombies were all

\_\_\_\_\_ Verb Past Tense off by the lack of food on the planet, which Flash would begin to experience if he didn't

find food \_\_\_\_\_ Adverb. In his search, he created his own \_\_\_\_\_ Adjective garden with the left-over food

from the past astronauts. He \_\_\_\_\_ Verb Past Tense up the sand from the surface of Mars and buried the freeze-

dried carrots and peas. These are full of fiber and antioxidants, which help Flash get through the days. Flash sat

and waited for the food to begin to \_\_\_\_\_ Verb Base Form, but little did he know that he forgot to unpackage the

food. The \_\_\_\_\_ Food and \_\_\_\_\_ Food sat underground in their seal and would never ever grow. He sat

there with great patience but then began to feel jittery. As Flash was pacing around his garden, he realized that

life on Mars was boring and he was beginning to feel very lonely. He got this brilliant idea that he was going to

build a rocket and travel to Earth.

The rocket would have to be able to carry Flash and his few belongings. Which would include his hairbrush,

\_\_\_\_\_ Noun, comb, tennis \_\_\_\_\_ Noun. He would prefer the trip to take less than the normal

\_\_\_\_\_ number

hundred days. So this rocket would have to travel faster than the \_\_\_\_\_ Adjective \_\_\_\_\_ rocket. The only problem would be that Flash's tools were not fit for the job. So he has to figure out a way to make a faster rocket with minimal tools. He was wandering around the planet when he discovered a Rover from \_\_\_\_\_ Proper Noun \_\_\_\_\_. It was parked right next to one of the \_\_\_\_\_ Adjective Ends in EST \_\_\_\_\_ craters on the planet. \_\_\_\_\_ interjection \_\_\_\_\_! He took apart the rover and before long he had his own space shuttle to shoot him to Earth. He named the spaceship \_\_\_\_\_ First Name of a Person \_\_\_\_\_. He thought that she deserved a name for all that she had done for him already. Flash would depart his home planet in three days. This would give him enough time to part with his \_\_\_\_\_ Noun \_\_\_\_\_ and pack up his few things. Not only was this the best thing that happened to Flash since the apocalypse, but he also was going to get the opportunity to find and reunite with his family.
