Cherokee Devil

A _____Noun_____ of friends were driving down the road in an old _____Noun_____, their names were Jeff, Cory, and Josh, it was _____Noun Plural_____ car, when they saw a strange creature come out from the woods on of the friends said Look out!! and the creature they saw ran them off the road _____Verb Present ends in S_____ them to crash into a tree. They jumped out of the burning car and the one friend shouted My car! But the other friends said they had to go, and started running towards the forest...Two hours later, It was getting late, they had nowhere to go until eventually they stumbled across an abandoned, rundown, log cabin, carefully walking in and watching where they _____Verb Past Tense_____ they eventually grew tired and stayed the night. At 3:00am, they woke up to a loud noise outside the house, one was brave enough and decided to go investigate, after a couple minutes he wasn't back so the other two decided to go search for him, first they walked around the house to try and find footprints, when they found one they had to identify it, and soon figured out that it was their friends. They decided to search for more and eventually found a trail, they followed that trail until they reached a lake and the footprints disappeared, After searching more they decided to cross the lake, but the only way across was to go through the lake, as soon as one of the people put their foot in the lake they _____Adverb_____ started to sink into the ground causing them to panic, once he got out they had to figure out a different way across like creating a raft. They gathered sticks, and _____Adverb_____ one of them had rope, once they tied all of it together they crossed the lake _____Verb Present ends in ING_____ the search for their friend. They were _____Verb Present ends in ING_____ for hours and found no other sign of their friend, so they assume that he just went to get help or find more materials. The two friends started _____Verb Present ends in ING_____ rough noises and hearing leaves move, so they went

back across the lake and ran back to the cabin, and very barricaded the door. Someone eventually started _____Verb Base Form_____ on the door screaming for help, they thought it was their friend but when they removed the _____Adjective_____ barricade and opened the door, and saw a person _____Verb Present ends in ING_____ away, they decided to chase after them and figure out what was going on. Eventually one of them suggested that they should just give up and go back to the cabin because it was getting late. When reaching the cabin they thought they saw an odd shape behind one of the trees but _____Verb Base Form_____ nothing of it. At midnight one of them woke up and heard a knocking on the door, but just ignored it thinking that it was the wind. The next morning it was pouring down rain, they decided to go find a road in the rain, they thought they saw their friend and they decided to hug him, their friend quickly ran into a dark cave and hid. They started seeing a weird figure coming into the cave, they either would have fought or run, and they decided to fight so they gave it all they could, they thought they had _____Noun_____, it was worse but in the end they were never seen again.
