Fallout English project

In west Halifaxia born and raised, on the _____Noun_____ is where i spend most of my days, out kicking and blocking feeling all cool under some shoulder pads is what i'll be in until some fool _____Adjective_____ his arm now the left _____Noun_____ is where he'll be found. was getting mentally bullied and had to transfer wastelands there he sat in the ground all day staring and wasting _____Pronoun_____ sad life away. Made a choice to start walking through the fallout going down the dusty street past the radiated trees. I was looking for loot near old busted houses that collapsed in the explosion. I found a _____Part of Body_____ of a cat in a toilet first time I ever saw that my biggest prize I found was a whole bottle of Coca Cola which I'm saving to hopefully get it cold. I also found some flex tape and _____Article_____ scrap of metal I can use to put on my boat. I finish my trek back to my boat to which has become my new home. I could live in the _____Noun_____ next to it but _____interjection_____ to noticeable so in the boat I stay, the food is always low and water isn't too bad once I _____Verb Base Form_____ it. I'm still looking for a working rifle for 3 boxes of .38 caliber bullets that aren't completely rusted over, with hollow point tips, but I will settle for brass and led tips. What's that? I feel like someone is watching _____Pronoun_____. "I come in peace!!!!" who are you I ask. I am Bryce (shows Spock symbol) instantly became best friends. We now need to obtain double the food but it's nice to have someone watching our backs. On a run into town, we _____Verb Base Form_____ into a girl we never have seen before we grab our guns. Before I can act Bryce pulled the trigger without hesitation and _____Adjective_____ her. We stealthily and slowly come closer to _____Pronoun_____ carcass to find a tag on her chest I pull it closer to see what it reads it says Mrs, _____Animal_____ "click" a grenade was attached to the tag, we quickly turn and almost clear the blast but

boom!!! the grenade blast _____ Adjective Ends in EST _____ both me and Bryce. The end of time.
