# "How You Remind Me" by Nickelback

Never made it as a Adjective Noun

I couldn't cut it as

A Adjective same noun Verb Present ends in ING

Tired of living like a Adjective same noun

I'm sick of Noun without

A sense of Noun

And this is how you Verb Base Form me

This is how you same verb me

Of what I really am

This is how you same verb me

Of what I really am

It's not like you to say expression

I was waiting on a different Noun

This time I'm Adjective

For handing you

A Noun worth Verb Present ends in ING

And I've been Adjective

I've

been Adjective

Into the bottom of every Noun

These five words in my head

Scream

Are we Verb Present ends in ING Noun yet?

Yeah, yeah, yeah, no no

Yeah, yeah, yeah, no no

It's not like you didn't know that

I said I Verb Base Form you and

I swear I still do

And it must have been so Adjective

Cause Verb Present ends in ING with him must have

Damn near Verb Past Tense you

And this is how you remind me

Of what I really am
