Laura Metro

I met Laura when I was 23 years old. When I first met her, I thought she was _____Adjective_____. She was _____Adjective_____, _____Adjective_____ and full of _____Adjective_____. As I got to know her, she was even more full of _____Adjective_____.

What people don't know about Laura, is she likes to _____Verb Base Form_____ in the _____Proper Noun_____. It's pretty _____Adjective_____ but I have gotten used to it. That's mild compared to her non stop habit of _____Verb Present ends in ING_____ food loudly.

At the end of the day, she is an _____Adjective_____ friend and someone you can always have fun with. That's why I gave her the nickname of "_____Noun_____ _____Noun_____".
