My Crazy Family Reunion

Reunion Mad Libs Game

I truly Adjective going to my Family Noun. Although I am always extremely Adjective about seeing the family members I have not seen in a long time, I end up truly enjoying myself. I love hearing my Uncle's crazy Noun Plural and the way my Cousin Noun Plural is quite Adjective. Grandma always falls asleep whenever we are together catching up on what has happened last in our Noun Plural. Great Uncle never fails to make everyone laugh with his wannabe stand-up Adjective Noun Plural. One time, I met my Cousin that I never knew I had. Who knew she would be so Adjective with that crazy Noun of hers?

One of the Adjective Ends in EST moments during the Family Reunion is when we all gather together to Verb Base Form all of the Adjective ones who have passed on. There is so much Noun that our family has gathered that must be shared with those of us who are still Adverb. The story about Great Grandpa and the Noun he had adopted for a short time always makes me laugh until I Verb Base Form out loud.

Another good Noun is getting play all of the fun Noun Plural with my extended family members! There are so many different ones we get to play but my Adjective is "Guess Who That Is!". This is a game where we pick out different Noun Plural that we don't recognize and have to Verb Base Form who

they are. Some of my _____ Noun Plural are easier to _____ Verb Base Form than others. Some have crazy
_____ Noun Plural, interesting facial _____ Noun Plural and _____ Noun Plural, and some do not have
_____ Noun on their head at all!

My family always has the tastiest _____ Noun available at our Family Reunions. We either have
_____ Noun catered in or we _____ Verb Base Form it ourselves. Just by looking at him, you would not think
that Uncle could _____ Verb Base Form but just take one bite and he will make you a believer in his grilled
_____ Noun !

Each Family Reunion is amazing but I really think this one is going to be the _____ Adjective Ends in EST one of
them all!
