# Titanic (from what i remember)

so there was this \_\_\_\_\_ lady named \_\_\_\_\_ talking about her \_\_\_\_\_ trip on this really old \_\_\_\_\_ pretty much everyone \_\_\_\_\_ on. then these guys are like "hey do you know about this \_\_\_\_\_" and she's like "yeah fam i do it's called 'the \_\_\_\_\_ of the \_\_\_\_\_ and it was mine." and then \_\_\_\_\_ goes on this whole spiel about her suite life on deck, even tho nobody asked for it.

so now \_\_\_\_\_ is 17 because she's flashbacking, and she's on board the fancy ship with her mom and \_\_\_\_\_ fiancée. she hates her life a lot and contemplates \_\_\_\_\_. suddenly this guy named \_\_\_\_\_ stops her and is like "ur hot" and \_\_\_\_\_ gets all \_\_\_\_\_. her fiancée finds out and has to \_\_\_\_\_ at dinner \_\_\_\_\_ even though he's \_\_\_\_\_. eventually \_\_\_\_\_ and \_\_\_\_\_ to a place and she's like " \_\_\_\_\_ me like one of your \_\_\_\_\_ girls, but nakey" and \_\_\_\_\_ is like "lol ok." so they do that and then they get all happy and stuff happens in a \_\_\_\_\_. then they \_\_\_\_\_ away and do the t-posing scene on the bow of the ship. suddenly an \_\_\_\_\_ is decides to show up and ruin EVERYTHING. now everyone is DYING and \_\_\_\_\_ and \_\_\_\_\_ are scared. people are \_\_\_\_\_ and \_\_\_\_\_ and jumping off on \_\_\_\_\_, because the water is too \_\_\_\_\_ to swim in. \_\_\_\_\_ and \_\_\_\_\_ end up in the water and \_\_\_\_\_ tells \_\_\_\_\_ she'll never let go, but then

she does and he \_\_\_\_\_ Verb Present ends in S \_\_\_\_\_ to the bottom.

the flashback is over and i forget what happens now but the movie was \_\_\_\_\_ Adjective \_\_\_\_\_ and the soundtrack is
