# A Day in the Life of a Claims Examiner

It's early morning and we come \_\_\_\_\_ in. Our faces \_\_\_\_\_, and our \_\_\_\_\_ still half closed. We \_\_\_\_\_ some \_\_\_\_\_, turn on our \_\_\_\_\_, and we are ready to get the day started. \_\_\_\_\_ has questions on the date span of a D1. \_\_\_\_\_ has a problem with the COB of a \_\_\_\_\_. \_\_\_\_\_ can't figure out what the payer date is on a \_\_\_\_\_. Chris says the date span is February through November. Chris says the COB is correct. \_\_\_\_\_ can't \_\_\_\_\_ the payer date either and decides to deny the claim NR \_\_\_\_\_. At the end of the day, we clean up our \_\_\_\_\_ and log our \_\_\_\_\_. We then make the trip home to spend the evening with out family, friends, and \_\_\_\_\_ loved ones. Then we go to sleep with \_\_\_\_\_ around in our \_\_\_\_\_, only to come back and do it all over again the next day.
