# Donuts to Dollars

There once was a salesman from down South, who knew the pathway to prospects' money was through their mouth.

When he first \_\_\_\_\_ with a hospital he arrived with munchkins. Who can say no to a \_\_\_\_\_? As they \_\_\_\_\_ the munchkin, so did they welcome the \_\_\_\_\_.

Conversations began, and as they \_\_\_\_\_, the donuts grew to be \_\_\_\_\_. Sometimes, just to stay \_\_\_\_\_ in their minds, this \_\_\_\_\_ salesman would show up for no other reason than to deliver \_\_\_\_\_.

As time passed, and their \_\_\_\_\_ got closer to a \_\_\_\_\_ deal, the donuts graduated to fancy \_\_\_\_\_, \_\_\_\_\_ donuts, psychologically \_\_\_\_\_ the relationship between \_\_\_\_\_ and \_\_\_\_\_ along with it.

Eventually an \_\_\_\_\_ was reached, contracts were \_\_\_\_\_, and implementation planning began. While \_\_\_\_\_ would be the expected accompaniment to the company's \_\_\_\_\_, our Southern salesman knew there was only one thing to bring to this celebration: \_\_\_\_\_!
