Hi, its \_\_\_\_\_ I know I know you never thought I would never narrate the story did you welp now  
on to my second nightmare that came true it all started on Friday I was having a sleepover OMG did  
\_\_\_\_\_ not mention this is our tradition we always have a sleepover on \_\_\_\_\_ and  
\_\_\_\_\_.!? Now at the sleepover, I talked about my nightmare and I had a nightmare about a creepy  
Spongebob he was so creepy and he was chasing me at a large park and the next day we went there!!! Also, did I  
mention he was chasing me with a knife we hid at a secret room we knew he wouldn't find and then he caught us  
and scince he didn't like fire he melted like a popsicle and best of all I and \_\_\_\_\_ survived the end.
