Small Man Jim

Small Man Jim was a Adjective and sexy fellow. You never saw him coming, but he was there-- always watching and Verb Present ends in ING. I called Small Man Jim Adjective for short, because he was so Adjective. My favorite features on him were his thicc Part of the body plural and his tiny clenched part of the body. He was the most Adjective man I'd ever met. Small Man Jim and I dated for Number years before we broke up over a fight about Noun Plural. It was ridiculous. He thought he was right, because his mom is a world-renowned Career. I told him he was Adjective. Our romance was as Adjective and as Adjective as a Season of the year day. We spent many hours Verb Present ends in ING each other under the old Noun tree in my back yard. Even though he was Number feet tall, Small Man Jim was really a good part of my life. I hope some day I will get to be his Relationship again.
