Friday the 13th

I've never been a superstitious, but this past Friday the 13th made me question my
Plural The first thing I noticed was a black crossing my path. That's
supposed to be luck, but I didn't think anything of it. Next, I stepped on a crack in the
and remembered that old saying, Step on a crack and your mother's
Uh-oh. Later, while out to dinner, I spilled salt-which is always luck. Then
went to (the) and tripped and fell into a full length, which shattered into a million
now I was really
I decided to go home early to avoid any other encounters. But it only got worse. The moment
got home, I discovered my boyfriend in bed with another! Next Friday the 13th, I'm not even
going to botherverb ends in ING out of
