# one day

one weird day i had been thinking about blue Animal plural and what we were going to do that night.. i  
thought to myself, maybe we could watch a Movie. a Movie X. Movie  
Family. Movie Trek. but i didnt know witch one was the best one.. i liked  
Movie the best but we watched them all and i dont like re runs.. Movie X is just weird  
and funny... adams family is just kinda out there.... floating in space...and Movie Trek is not  
very fun to watch.. so i said.. why dont i ask First name that would be smart... so i went and asked  
Same person. and he/she said i dont care.. what do you want??? so i said... Movie Movie.  
:D: :D: :D :D.
