A day at the construction center

I got up at _____ in the morning putting on my _____ and _____
_____ eating some _____ with a glass of _____ I
_____ downstairs to the lobby and _____ my _____
_____ we hugged each other hi and left. I was on my way to my job when I saw a flying
_____ on the tallest building in _____. I walked into the construction area it started
to pour I looked down at my soggy _____ and walked into a _____ while eating my
_____. I started to choke a person named _____ saved my life I fell and almost hit my
_____ but he caught me I felt a little light-headed so I started to walk home I tripped over a rock but
_____ caught me once again. I thought _____ was cute so I _____
_____ him and he _____ me we thought of working more at the construction site so
we did I had to drink a _____ first put my _____, _____, _____, and
_____ on to start the job.
