## **Eclipse Master**

You call your self a pokemon master hmmmm??? Try playing,
Gameboy, color and advance <u>Color</u> , <u>Color</u> , ( <u>Language</u> words) <u>Color</u> ,  Metal , <u>Metal</u> and <u>Metal</u> .
Advance only and Jewel
( yes I verb Past Tense a few consoles like, gcn and cause those are the ones I disliked)
Dsi Ds xl time: Noun, Noun, and Noun, mystery dungoen( Third color,
Noun Plural of Noun and Noun , Location .) Heartgold and soul Second
metal , Pokemon Color and Color , Color 2 and Color 2. (and yes
Noun Plural too)
These are the ones I play% with legendarys caught in a luxaruy ball or premier ball and
mythical like Pokemon in emerald and Pokemon and Pokemon from pokemon
2 (yes I know I spell it wrong but its been a while gimme a break)

The only reason I'm not putting the 3ds in is because that's stillAdverb	_ a work in progress. Please
To. Me when you've done it all Exclamation
