# Entrepreneurship

When beginning a \_\_\_\_\_ Noun, you must decide what form of \_\_\_\_\_ Noun entity to establish. Your form of \_\_\_\_\_ Noun determines which income tax return form you have to file. The most common forms of \_\_\_\_\_ Noun are the sole proprietorship, partnership, corporation, and S corporation. A Limited Liability Company (LLC) is a \_\_\_\_\_ Noun structure allowed by state statute. Legal and tax considerations enter into selecting a \_\_\_\_\_ Noun structure.
