Thana and Woosha

One day, Thana and Woosha were left with a pet-sitter. She was wearing a Adjective
hat and had a tattoo of a on her on her After their owners left she pulled out a
treat for each of them, shaped like a shape As they verb Past Tense, they suddenly
felt funny. Their part of Body twitched. Their eyes verb Past Tense But mostly their paws itched.
Suddenly, they looked down and saw hands instead of paws. They had turned into humans!
They had fun for a while,
started to miss having fur. They did not like wearing They liked playing
with their owners, and sleeping a lot whenever they wanted. They begged the Adjective
pet-sitter to change them back. With a swish of her magical, they were changed back to normal,
and they both ran outside to celebrate by verb Present ends in ING and yowling at the moon.
