Son of Neptune excerpt from page 263

Frank remembered what his grandmother had said; she had an appointment with _____Proper Noun_____.

Grandmother _____Verb Base Form_____ him sometimes; but still, she was his only living family, the only person alive that _____Verb Past Tense_____ him. If _____Repeat Last Proper Noun_____ stayed chained up, Frank might not lose her. And Hazel--somehow she had come back from the Underworld. If _____Repeat Last Proper Noun_____ took her again, Frank wouldn't be able to stand it. Not to mention Frank's own problem: according to Iris, he should have _____Verb Past Tense_____ when he was a baby. All that stood between him and _____Repeat Last Proper Noun_____ was a half-burned stick. Would _____Repeat Last Proper Noun_____ take him away, too?
