Her

She was _____adjective - body_____, her _____adjective - arms_____ and _____adjective - arms_____ arms hanging limply at her side. She loomed over me because she was _____adjective - body_____. I looked up into her _____adjective - face_____ face. She had _____adjective - cheekbones_____ and _____adjective - cheekbones_____ cheekbones, and her _____adjective - skin_____, _____adjective - skin_____ skin appeared stretched so _____adjective - skin_____ that at any moment it would rip and reveal the _____adjective - bones_____ bones behind. _____adjective - lips_____ lips parted into a fiendish smile revealing two rows of _____adjective - teeth_____, _____adjective - teeth_____ teeth. However, these horrible features were all the more terrifying when compared to her _____adjective - eyes_____ eyes. They were _____adjective - eyes_____ and _____adjective - eyes_____, the color of rich, warm coffee. Eyes that sparkled in the light of the quarter moon coming through the window; eyes that made me forget that all but five minutes ago she was a lifeless corpse on my laboratory floor...
