You say our love is draining and you can't go on

You'll be the one complaining when I am gone

And no, don't change the subject

'Cause you're my favorite subject

My sweet, submissive subject

My loyal, royal subject

Forever and ever and ever and ever and ever

You'll be back

Like before

I will fight the fight and win the war

For your love

For your praise

And I'll love you till my dying days

When

you're gone

I'll go mad

So don't throw away this thing we had

'Cause when push comes to shove

I will kill your friends and family to remind you of my love
