Fudge

My _____^{Noun} said he was going to cook us _____^{Noun} special for dinner. To celebrate Finding
_____^{Proper Noun} in the _____^{Noun}. I thought that was really _____^{Proper Noun}. Because as far as I know
my _____^{Noun} can't cook anything. He doesn't even know where my mother keeps the _____^{Noun}
_____^{Noun}, the _____^{Noun}, or the _____^{Noun} and _____^{Noun}. Lucky for him I was there to show
him.
