- 31. Verb Ing

# The BFG Part 2

Continuing from Part 1.

The BFG explains that she must stay with him forever so that no one can know of his Noun. He warns her of the dangers of Verb ING his cave as his nine Noun Plural are sure to Verb her if they catch her. He also explains what he was doing with the Noun and Animal. He catches Noun Plural, stores them in the cave, and then gives the good ones to Noun Plural all around the Noun. He Verb ends in S the bad ones. The BFG then explains that he eats the only edible Noun that will grow in the giants' homeland: Plural Body Part, which are Adjective striped cucumber-like vegetables with wart-like growths that taste like frog Plural Body Part and Adjective fish to Sophie and Plural Noun and slime Verb ends in ERS to the BFG.

Another giant called Russian Name then storms in. Sophie hides in a Body Part and is nearly Adverb Verb ED by the Same Russian Name. Same Russian Name luckily spits her out and then Verb ends in S in disgust. When Sophie announces she is Adjective, the BFG treats her to a Adjective soda Noun drink called "Country" which causes Adjective flatulence because of the Noun Plural sinking downwards, rather than floating upwards. The BFG calls this "Verb ING".
