The Apocalypse

The day was Wednesday, July 16th. It was the year _____
Number, and things had been _____
Verb Present ends _____
in ING south for a while now. But no one really knew how _____
Adjective it was going to get.

For a few decades, humanity had been _____
Verb Present ends in ING along _____
Adverb. The streams were
now filled with _____
Adjective sludge, and the skies were _____
Adjective and cloudy - no one had seen a

Color sky in almost _____
Number years. But the economy was still _____
Verb Present ends in ING

Adverb at least. _____
Company had taken over the world's governments for a little while, but now
everyone was _____
Verb Past Tense by that that company from _____
Location again.

We had thought that things were getting better, but that just shows how wrong we were. Because that morning, it
all went upside down. We had been _____
Verb Past Tense about _____
Proper Noun Plural for a little while, but no
one really expected them to use their _____
Noun Plural. But of course, they did. _____
Pronoun was one of the
lucky ones - the people in my _____
Location had been preparing for years for this day, and most of us were
able to get into the bomb shelter in time. _____
Conjunction we could still see everything happening from the
security cameras though.

It all happened so fast. Small _____
Noun Plural disappeared almost instantly. Trees caught fire for a

Length of time, then were gone the next. And the people... it was _____
Adjective to watch.

_____ Pronoun waited for a few days, but while we were waiting, _____ Repeat Last Pronoun talked about the future. _____ Repeat Last Pronoun knew that we didn't want to _____ Verb Base Form through the _____ Adjective things that had happened, so _____ Repeat Last Pronoun came up with a plan. A plan for a better future, with rules and ideas that would prevent war and _____ Verb Present ends in ING forever. We just had to _____ Verb Base Form that it would work...
