# The Apocalypse

The day was Wednesday, July 16th. It was the year \_\_\_\_\_  
Number, and things had been \_\_\_\_\_  
Verb Present ends \_\_\_\_\_  
in ING south for a while now. But no one really knew how \_\_\_\_\_  
Adjective it was going to get.

For a few decades, humanity had been \_\_\_\_\_  
Verb Present ends in ING along \_\_\_\_\_  
Adverb. The streams were  
now filled with \_\_\_\_\_  
Adjective sludge, and the skies were \_\_\_\_\_  
Adjective and cloudy - no one had seen a  
\_\_\_\_\_  
Color sky in almost \_\_\_\_\_  
Number years. But the economy was still \_\_\_\_\_  
Verb Present ends in ING  
\_\_\_\_\_  
Adverb at least. \_\_\_\_\_  
Company had taken over the world's governments for a little while, but now  
everyone was \_\_\_\_\_  
Verb Past Tense by that that company from \_\_\_\_\_  
Location again.

We had thought that things were getting better, but that just shows how wrong we were. Because that morning, it  
all went upside down. We had been \_\_\_\_\_  
Verb Past Tense about \_\_\_\_\_  
Proper Noun Plural for a little while, but no  
one really expected them to use their \_\_\_\_\_  
Noun Plural. But of course, they did. \_\_\_\_\_  
Pronoun was one of the  
lucky ones - the people in my \_\_\_\_\_  
Location had been preparing for years for this day, and most of us were  
able to get into the bomb shelter in time. \_\_\_\_\_  
Conjunction we could still see everything happening from the  
security cameras though.

It all happened so fast. Small \_\_\_\_\_  
Noun Plural disappeared almost instantly. Trees caught fire for a  
\_\_\_\_\_  
Length of time, then were gone the next. And the people... it was \_\_\_\_\_  
Adjective to watch.

\_\_\_\_\_ Pronoun waited for a few days, but while we were waiting, \_\_\_\_\_ Repeat Last Pronoun talked about the future. \_\_\_\_\_ Repeat Last Pronoun knew that we didn't want to \_\_\_\_\_ Verb Base Form through the \_\_\_\_\_ Adjective things that had happened, so \_\_\_\_\_ Repeat Last Pronoun came up with a plan. A plan for a better future, with rules and ideas that would prevent war and \_\_\_\_\_ Verb Present ends in ING forever. We just had to \_\_\_\_\_ Verb Base Form that it would work...
