## **5S Red Tag Event**

Red tags used in a schedued 5S event. The first step is that a 5S is verb Past Tense and can
be anywhere from 3 to 10 members depending on the company size. The team then selects an that
needs organizational improvement. Before they start the event, they need to and have on
hand 100 or more red Noun. As the team Verb Present ends in S through the items a red tag is placed
on items that are not needed or not sure of use or not used in a long time. The 5S team member who
verb Present ends in S puts their on it and conducts the follow up within a specified period of
time to determine if it is to be kept (and what it is used for) or if it should be thrown away. All items with red
tags from the event are in a designated called the 5S red tag holding area.
The group verb Present ends in S again at a set future date to determine what to do with all the red tagged
items.
