Saint Joan of Arc

Long ago in France, lived aAdjective	peasant named Joan. She would later be called Saint Joan of Arc.	
Joan was only 16 years old and was a	Adjective person, who wanted to help the people of France. She	
believed that had chosen he	er to help win the war against England. Without training, Joan	
the king to let her att	tack England. During the battle, Joan would carry three	
with her. In the end, France won the battle! Now, Joan is one of history's most saint
