## VMCA Mad Lib

I am so excited for Christmas this year! I've been doing a lot of <u>Verb ending with -ing</u> to prepare!
I have already picked out presents for everyone. I got <u>Verathon employee but not you</u> a <u>Noun-object</u> , and
Verathon employee but not you a Noun - object. I wrapped their presents in Noun - object and hid
them in the <u>Location in our office</u> so they wouldn't find them.
Verathon employee but not you and I made Food for everyone to enjoy. They smell Adjective ! I
can't wait to eat them!
We picked out the perfect tree. It is <u>Adjective</u> and <u>Adjective</u> and smells like <u>Scent</u> . It is
my job to <u>Verb - no tense eg like walk not walks</u> the tree everyday.
I've been hoping for a <u>Object</u> under the Christmas tree this year. I really don't want to get a
<u>Verathon product</u> this year!
Verathon employee but not you tells me that I need to go to bed early on Christmas Eve so Santa can come. He's
going to drive his <u>Noun - transportation</u> with his <u>Animal - Plural</u> and land on our roof.

hope everyone has a <u>Adjective</u> Christmas!
