Brennan's Christmas Present

About a Period of time ago, Grandma Mattie and Grandpa John learned that Brennan was a Adjective artist when he showed them Noun Plural he made of Noun Plural. They were wondering what to give him for Holiday, when a Noun popped into their Part of Body. Let's make a Adjective, Adjective wall Noun from his Noun! He could put it on the Noun in his bedroom in US state, or even get a Adjective one that can stick to a Noun. When they told Brennan their idea, he was so Adjective he almost forgot to say, Exclamation !"
