My best friend

My best friend's name is First Name of a Person. We met when we were Number years old at Location. I like First Name of a Person because Pronoun is very Adjective. We like to VERB together. Sometimes, when we are feeling Adjective, we like to Verb Base Form. It is so Adjective! My favourite memory with First Name of a Person is from Location. We Verb Past Tense all day long and ate delicious FOOD. I am so glad that First Name of a Person is my friend!
