I am a Adjective person, with Adjective friends, I like to party and have a good time with them.

The party started at 11:00 pm with 20 of our close friends, we Verb Past Tense, Verb Past Tense, and Verb Past Tense bachelor games, it was super cool, I stayed to sleep at his house, the next morning I went to the Noun and then spent the whole The afternoon with her, we Verb Past Tense, we Verb Past Tense again together with another friend, finally it was time to spend time with my partner, we went to Noun, and we had a romantic moment, and we stayed to Verb Base Form together.
