# Break-Up

A couple pick apples at an orchard.

-----

Guy: Man, this really is a great day for going apple-picking. This is the most fun I've had in \_\_\_\_\_  
years.

Girl: Listen, \_\_\_\_\_, there's something I should tell you.

Guy: What is it, \_\_\_\_\_?

Girl: What I am about to say might be \_\_\_\_\_ to hear but here it goes: I think we should break up.

Guy: \_\_\_\_\_!

Girl: I'm so sorry; we've shared so much over the past \_\_\_\_\_, but \_\_\_\_\_  
\_\_\_\_\_.

Guy: How long have you been feeling this way?

Girl:

Since Event.

Guy: I can't believe this! Is this because of my Adjective Part of Body?

Girl: No no, we're just really different people: I was raised by 2 Occupation Plural and you were raised by Animal - Plural. I enjoy going out and come home to find you Verb Present ends in ING on the couch, watching YouTube videos of Proper Noun eating Food.

Guy: I understand. Well, I have something to tell you, too that's not easy to admit: I've been cheating on you with Proper Noun.

(both throw apples at each other)

Girl: Insult A Kid Would Say!

Guy: Insult A Kid Would Say!

Girl: Insult A Kid Would Say! I'm taking the Noun Plural and moving out!

(Guy calming her down)

Guy: Hey please don't Verb Base Form. I hate seeing you do that so please sit down. I'm sorry things didn't work out.

Girl: I am to. I'll always have a special place for you in Part of Body.

Guy: It's during time like this that I would like for us to recite our favorite love quote.

Together: You got to Verb Base Form like Proper Noun is watching. And you got to love like there's nobody Verb Present ends in ING. And scene.
