Ghost Cat - A Halloween Story

It was Halloween night. The moon was full & Ghost Cat was wide awake. He would follow the children who were all dressed up in their costumes and every time they said, Trick-Or-Treat, Ghost Cat would turn into a different animal, or, Halloween character every time.

Ghost Cat didn't know what was going on! He just knew that one second he was Scooby Doo, and then, the next second he was a Cabbage Patch Doll! LOL!

Ghost Cat was invisible, of course. However, once he was an official character everyone could see him as that character on the front porch, or, while he was wandering around the neighborhood!

He was magical, too, so nobody really noticed him appearing or disappearing. He just was.

The next character that Ghost Cat appeared as was, Bat Man! Then, Cookie Monster! And, then, a _____Adjective_____, _____Adjective_____, _____Adjective_____ sloth.

Ghost Cat really loved being a sloth, too. He could spend the rest of Halloween night as a sloth! But, it wasn't meant to be.

"Oh no! I cannot return back into a cat until next Halloween!" Ghost Cat said quietly, to himself. Because, it was after midnight, too, and nobody said Trick-or-Treat in a while.

So, Ghost Cat will wander around as a Ghost _____same animal_____ until next Halloween when the kids will all be out Trick-Or-Treating once again! However, Ghost Cat has to make sure that someone says Trick-Or-Treat before midnight or else he will remain another character, again, until the following Halloween! LOL! (Good Luck, Ghost Cat)!
