Fun with adjectives and adverbs

My Weekday Morning

This morning, I woke up and brushed my (adj) _____ teeth. I (adv) _____ ate a yummy breakfast and then left for school. The bus was (adj) _____, and of course the bus driver was not happy about that. She (adv) _____ yelled at us and threatened to pull the bus over.

When we finally got to school, I went to my (adj) _____ locker and got my books. I was almost late to my first period class so I had to run, but I made it just in time. I could (adv) _____ keep my tired eyes open in class. I struggled through the next four (adj) _____ classes and finally made it to lunch.

At lunch I (adv) _____ sat next to my friends at our lunch table and told them about my (adj) _____ day. They (adv) _____ listened while they ate their (adj) _____ lunches.

They bell rang and it was off to (adj) _____ class, which I loved! During this class I (adv) _____ try my best.
