The price

1. Noun _____

The price

Bounty _____Noun_____ left his house to do his next job. Everything was usual: a street where he goes in the place

to do jobs for reward, people, even weather

He has came in and got into his boss' room

-Any free bounty pucks?

-Sure, there are some: prison escaper, doctor who makes deadly experiences on everyone, and extremely rare

specie but it lives in planet that is even in no maps(edited)

-Hm, I want to know more details about each job, especially about the last one
