# mean\_taylor swift

with your words like knives and swords and weapons that you use against me

Pronoun have knocked me off my feet again got me feeling like I'm nothing

Pronoun with your voice Verb Adjective on a Noun calling me out when I'm

Adjective

Pronoun pickin'; on the weaker man

Well, you can take me Verb with just one Verb blow

But you don't know what you don't know

Someday I'll be living in a big old city

And all you're ever gonna be is Noun

Someday

I'll be big enough so you can't hit me

And all you're ever gonna be is mean

Why you gotta be so Noun?

You, with your switching sides and your walk-by lies and your humiliation

You, have pointed out my flaws again as if I don't already see them

I'll walk with my head down trying to block you out 'cause I'll never impress you

I just wanna feel okay again

I'll bet you got pushed around, somebody made you cold

But the cycle ends right now 'cause you can't lead me down that road

And you don't know what you don't know

Someday I'll be living in a big old city

And all you're ever gonna be is Noun

Someday I'll be big enough so you can't hit me

And all you're ever gonna be is Noun

Why you gotta be so \_\_\_\_\_?

And I can see you years from now in a bar, talking over a football game

With that same big loud opinion but nobody's listening

Washed up and ranting about the same old bitter things

Drunk and grumbling on about how I can't sing

But all you are is mean

All you are is mean and a liar and pathetic and alone in life

And \_\_\_\_\_ and \_\_\_\_\_ and \_\_\_\_\_ and

Noun

But someday I'll be living in a big old city

And all you're ever gonna be is Noun yeah

Someday, I'll be big enough so you can't hit me

And all you're ever gonna be is Noun

Why you gotta be so Noun?

Someday, I'll be, living in a big old city

(Why you gotta be so Noun)

And all you're ever gonna be is Noun

(Why you gotta be so Noun)

Someday, I'll be big enough so you can't hit me

(Why you gotta be so Noun)

And all you're ever gonna be is Noun

Why you gotta be so mean?
