The missing man

I was _____Adjective_____ when there was a knock on the door. I looked through the door to see an _____Noun_____ man standing there! It was the _____Noun_____ I think? anyway he said he needed help so I let him in. He sat down on my couch and started to look through a bad, which i guessed was mail he was _____Noun end in ing_____. i left the room to goo to the bathroom, and he said

"Good luck!"

When I came back he was gone! Nowhere to be found! I looked through my _____Noun_____ and found all of my _____Noun_____ missing. Oh no!
