The missing man

| I was when there was a knock on the door. I looked through the door to see an |
|--|
| man standing there! It was the I think? anyway he said he needed help so I let him in. He sat |
| down on my couch and started to look through a bad, which i guessed was mail he was <u>Noun end in ing</u> . i |
| left the room to goo to the bathroom, and he said |
| "Good luck!" |
| When I came back he was gone! Nowhere to be found! I looked through my and found all of my |

_____ missing. Oh no!
