In the early _____Animal - Plural_____ century his private conglomerate_____Animal - Plural_____ the Trump Organization, comprised some 500 companies involved in a wide range of businesses, including _____Animal - Plural_____ and resorts, _____Animal - Plural_____ properties, merchandise, _____Animal - Plural_____ entertainment and television. Trump was the third president _____Animal - Plural_____ _____Animal - Plural_____.S. history (after Andrew Johnson in _____Animal - Plural_____ and Bill Clinton in 1998) to be impeached by the U.S. House of _____Animal - Plural_____ and the only president to be impeached _____Animal - Plural_____ (in 2019) for abuse of power and _____Animal - Plural_____ of Congress in connection with the Ukraine scandal and once (in 2021) for "incitement of insurrection" in connection with the storming of the United States Capitol by a violent _____Animal - Plural_____ of Trump supporters as Congress met in _____Animal - Plural_____ session to ceremonially count electoral college _____Animal - Plural_____ from the 2020 presidential election. Both of Trump's impeachments ended in his acquittal by the U.S. Senate. Trump lost the _____Adjective Ends in EST_____ election to former vice president Joe Biden by 306 electoral votes to _____Adjective Ends in EST_____;

he lost the popular vote by more than seven million votes.

Trump was the fourth of five children of Frederick (Fred) Christ Trump, a successful real _____Event_____ developer, and Mary MacLeod. Donald's _____Event_____ sister, _____Food_____ Trump Barry, eventually served as a U.S. district court judge (1983-99) and _____Food_____ as a judge on the U.S. Court of _____Event_____ for the Third _____Event_____ until her retirement in 2011. His elder brother, Frederick, Jr_____Event_____ (Freddy) _____Event_____ worked briefly for his _____Event_____ business before becoming an airline pilot in the 1960s. Freddy's alcoholism led to his early death in 1981, at the age of 43.

Beginning in the late 1920s, Fred Trump built hundreds of single-family houses and rowhouses in the Queens and Brooklyn boroughs of New York City, and from the late 1940s he built _____Food_____ of apartment units, _____Event_____ in Brooklyn, using federal loan guarantees designed to stimulate the construction of affordable housing. _____Food_____ World War II he also built federally _____Event_____ housing for naval personnel and shipyard workers in _____Food_____ and Pennsylvania. In 1954 Fred was investigated by the _____Event_____ Banking Committee for allegedly _____Food_____ the loan-guarantee _____Event_____ by deliberately overestimating the costs of his construction projects to secure larger loans from commercial banks, enabling him to keep the difference between the loan amounts and his actual _____Event_____ costs. In testimony before the Senate committee in 1954, Fred _____Event_____ that he had built the Beach Haven apartment complex in _____Animal - Plural_____ for $3.7 million less than the amount of his government-insured loan. Although he was not charged with any crime, _____Event_____ was thereafter unable to obtain federal _____Animal - Plural_____ guarantees. A decade later a New _____Food_____ state investigation found that Fred had used his profit on a state-insured construction

loan to build a shopping centre _____Food_____ was entirely his _____Food_____ property. He eventually _____Food_____ $1.2 million to the state but was thereafter unable to obtain state loan guarantees for residential projects in the Coney Island area of Brooklyn.

Donald Trump attended New York Military Academy (1959-64), a private boarding school; Fordham University in the Bronx (1964-66); and the University of Pennsylvania's Wharton School of Finance and Commerce (1966-68), where he graduated with a bachelor's degree in economics. In 1968, during the Vietnam War, he secured a diagnosis of bone spurs, which qualified him for a medical exemption from the military draft (he had earlier received four draft deferments for education). Upon his graduation Trump began working full-time for his father's business, helping to manage its holdings of rental housing, then estimated at between 10,000 and 22,000 units. In 1974 he became president of a conglomeration of Trump-owned corporations and partnerships, which he later named the Trump Organization.
