# Forest Animals Adventure

Once upon a time in a deep and \_\_\_\_\_ forest, a/an \_\_\_\_\_ swatted at the morning fog. It belonged to the baby fox called \_\_\_\_\_. \_\_\_\_\_ sneezed at the fog and yelled, "I'm gonna get you!" Above, a little squirrel heard his voice and quivered. Baby bear (named \_\_\_\_\_) was making his first climb in the tree when the squirrel dropped and they both fainted. \_\_\_\_\_ fell directly into a den of hedgehogs that perked up with annoyance. "Hey! Go back to \_\_\_\_\_!" they squeaked in their \_\_\_\_\_ mood. \_\_\_\_\_ decided he would have to \_\_\_\_\_ all the way to the other side of the waterfall. But he was shaking. He didn't think he'd have the \_\_\_\_\_ technique to do it. "I have to," \_\_\_\_\_ called out goodbye to his girlfriend: "Farewell Giselle!" \_\_\_\_\_ darted out the tunnel but promptly got stuck. Giselle the fawn batted her \_\_\_\_\_ with emotion, "Oh no, you don't give up that easily!" Giselle made a \_\_\_\_\_ signal to her bunny friend, Jeronimo. "See that dark tunnel? It's filled with \_\_\_\_\_ that can only be reached if you dig out the \_\_\_\_\_ bear. Don't worry about the bear. He's mine." Bunny's \_\_\_\_\_ ears fluffed back with the sound of \_\_\_\_\_. "Ok, gimme \_\_\_\_\_ min." Jeronimo \_\_\_\_\_ down the tunnel and dug like a \_\_\_\_\_ machine. "Roar!" said \_\_\_\_\_, "I can dig too!" He flexed his paws and squirmed to loosen the dirt. Together, their movement revealed an anonymous \_\_\_\_\_ stash that was buried that winter. The \_\_\_\_\_ collapsed into the hedgehog den and Jeronimo sidetracked to fill his \_\_\_\_\_. "Yuck! Yucky

!" said the hedgehogs. Repeat Last First Name of a Person emerged from the ground at Giselle's feet. "I love you,"  
he said gathering a spontaneous bouquet of purple Noun Plural. They jumped into a tourist's  
Year convertible and set off to honeymoon in Location.
