KEEP RUNNING

I _____Adjective_____ home alone on a Saturday in my _____Noun_____ when i heard a loud sound of window breaking. I thought it was a branch because there was a large storm outside so i just ignored it, suddenly i hear heavy footsteps going upstairs and getting closer to my room so i _____Adverb_____ _____Verb Base Form_____ to my desk and grab a pencil to defend myself. I crawled under my bed to hide and then a weird figure enters my room so i move _____Adjective Ends in EST_____ under my bed. He starts checking my cabinets and drawers for something and i think he took a watch and puts it in his pocket so i get closer to his foot and i poked the pencil into his foot but i couldn't believe what i just saw...it went through and when i pulled it back the man vanished into a cloud of smoke and i was left there shocked. I called the police after that and they wouldn't believe what i said because it sounds crazy and then 2 months later he was reported somewhere else by a different person but the police thought it was a prank call and charged the person and till this day no one has ever seen him again.
