The frog goes hop hop hop

You know what? This isn't bait So I just really want to know what you mean by that, _____Name_____. No _____Noun_____, no _____Noun_____. Genuinely. Just elaborate on what that was supposed to mean. You think I define my _____Adjective_____ _____Noun_____ through my ability to _____Verb Base Form_____ the people around me hoping they'll cultivate _____Adjective_____ _____Noun Plural_____ of me? Because my ultimate goal and driving motivation is the _____Noun_____, _____Noun_____ and _____Noun_____ of the people in my life so to do that is essentially the worst form of _____Adjective_____ _____Verb Base Form_____ I can do to myself and whoever may have once considered me a _____Noun_____? Is that what you're getting at? You think because so much of my _____Adjective_____ _____Noun_____ and _____Noun_____ comes from the opinion those around me have of me, that my _____Noun Plural_____ are just extended periods of time where I _____Verb Base Form_____ and purposefully _____Verb Base Form_____ them hoping that they'll slowly come to _____Verb Base Form_____ me? Because I want to _____Verb Base Form_____ myself? Is that what you think this is? Because if it is then you can just say it. In fact, I really wish you would. I wish you would say that to my fracking face. So I could tell you how wrong you are because not only do I alternate between multiple different types of _____Adjective_____ _____Noun Plural_____ but the variety where I _____Verb Base Form_____ others isn't actually even considered a _____Noun_____ for me. At this point it's just become so _____Adjective_____ and _____Adjective_____ a habit that I consider it just a _____Adjective_____ state of mind I happen to be in every now and then. I want you to step up to my fracking face and tell me you know more about my _____Adjective_____ _____Noun_____ than I do, _____Name_____. I want to see just how mind-numbingly fracked up on _____Noun_____ someone like you needs to be to muster up the sheer fracking _____Noun Plural_____

to tell someone like me exactly what is on your mind. Tell me you understand this _____Noun_____ better than I do. With your years of wisdom from watching _____Adjective_____ _____Noun Plural_____ and getting fed up of your parent's _____Adjective_____ beliefs as a kid. From your years of experimenting with _____Noun Plural_____. From your infinite patience reading every message in this channel. Tell me you not only understand this _____Noun_____ but you do more than the dozens of _____Noun Plural_____ I've been forced to _____Verb Base Form_____ to. I will rearrange your fracking _____Noun_____ so badly that by the time I'm done it'll actually be an improvement from how _____Adjective_____ it is right now. I don't talk to you about the correct amount of _____Noun Plural_____ to take or whatever the frack
