Johnson Elementary Travels Through Time

Once upon a time, Johnson Elementary students created a science project. They assembled _____Noun Plural_____ they found in their classroom and _____Verb Past Tense_____ a time machine! Where would they go? Would they travel to the past to see a _____Noun_____ or meet _____Famous Person_____ ? Maybe they would travel to the future to see themselves as _____Noun Plural_____ . The students decided that they would start by going to the past and then when they got back, they would travel to the future next. Everyone gathered supplies they would need for their trip. They pushed the _____Noun_____ and the machine _____Verb Past Tense_____ and _____Verb Past Tense_____ and _____Verb Past Tense_____ through time. The students decided that they would let the time machine pick a random time so their trip would be a surprise. Where do you think they went first?
