A Look Back at PB

Dear PB, exclamation! What a Adjective year we have had with PB! We have had so many Adjective Zoom meetings and Adjective events. It was so much fun when we Verb Past Tense with Antoni! I will never make another omelet without food. Remember when we had our most Adjective event, Name of PB Event? Or when got to hold Number Type of Animal at Barn Babies? But let's be real, we really need to get rid of Name of PB Event. I really hope that the Number students that attended events had a Adjective time! It's sad to say goodbye to our Number Adjective seniors. Exclamation Annie makes such Adjective graphics! Elywn takes such Adjective notes! Max and Dustin make concerts and playlists so Adverb. Lily's events are SO Adjective and Jourdin makes such Adjective connections with other organizations. And lastly, how can we forget about Sam's Personality Trait Noun. I can't wait to see what events take place next year with Noun Plural and Color Noun Plural. I can already imagine the whole school singing Song Title at Green Key next spring. Thanks for the most Adjective year of PB ever! I will miss you all! Letter Sign Off, Meg
