## **Jungle Magic**

Once upon a time, in the there lived a tiger and that tiger's name was Missy. Missy was 5 years
old when a thing happened. It was a sunny and bright day and Mama and Papa Tiger were
for food and Missy was playing in their home. She got a little tired, so she went
looking for her Mama and Papa, but they were not at the cinema. Missy was incredibly sad, but she went looking
for them. She looked every day but she did not find them. A year passed, then another. She was really scared as
she was only 7. She went to the wise old monkey and he said, "Do you know what REAL magic is my young
friend?" "Um love?" said Missy. "NO MY YOUNG FRIEND, THE REAL MAGIC IS NOT LOVE OR
UNICORNS AND RAINBOWS!! THIS MAGIC CAN HELP YOU FIND YOUR PARENTS!!!" said the wise
old monkey. "What?!?!?" said Missy. Just then a big cloud of smoke filled the room. Missy turned and saw her
Mama and Papa! She was so happy she never left their side again!
