shadow MY hedgehog

"He's MY Noun;

"No he's the Noun;

"No HE IS MIIIIINE!";

Wait,wait,wait, this needs to start over from the beginning. Here is the begining of the story. First name

my sweet dear, beautiful girlfriend she's wonderful. A talented scholar absolutly gorgus.

First name can I get a hedgehog for my birthday?";

"Why are you asking me this?";

"; Because we live together, and you are the one Verb it.";

"Fine, wait, WHAT!!";

She said that as the engine was starting up. I'm not even going through the details of the car ride, it was more of

an argument including a few Noun words seasoning it.

"Here we are Molly, Molly? you can stop giving me the silent treatment.";

As we were walking in the store I found him, Shadow, the Shadow the hedgehog.

"He's perfect!";

"Fine, how much is he?";

"That would be _____;
Number Proper noun

She handed him the money while grumbling.

To Be Continued.
